Volume 1, Issue 2

We wish to thank everyone for their continued support and wanted to give you an update as to our progress up to this point.

Since completing the house we have had three residents. The first resident in the new home was Hunter, the young man that spoke at our auction this year. From the program he went home to Alabama to be with family.

Our current residents, Cory and Drew, are involved in the full recovery program and are showing remarkable progress. One of the men, since arriving, has accepted Christ as his savior. The other man has recommitted his life to Christ after attending the local "Do Something" camp with Exodos Ministries and Pilgrim Rest Baptist Church.

We would like to give you an indication of some of the things they are involved in with their recovery.

- *Regular Church Attendance

- *Weekly attendance at Celebrate Recovery Meetings, a Faith based recovery program.

- *Weekly counseling with our Christian Counselor

- *Bible Studies with various men of God: Pastor Clyde Risen, Pastor George Katzman, Pastor Curt Rainey, Pastor Neil Thompson and Daily devotions given by Tom Crowson and Pastor Donald Way, both faithful men of God. Tom of course is President of Exodos Ministries, Inc. Board of Directors and Pastor Donald lives on sight and acts as a mentor to the men.

- *Involvement in community activities with the Church and with the local School.

- *Participation at the Thrift Store.

Our Thrift Store is still accepting donations on a regular basis and to make it more convenient for people we have a new drop box for after hour drop offs, a beautiful box built as a labor love for the ministry, at no cost to us.

Again, thank you all for your support and all your prayers.
